Tell us a CTC win you are proud of related to recruitment or retention

...did you celebrate a CTC achievement?

...has someone finally agreed to connect?

...is there a sector that you made inroads with?

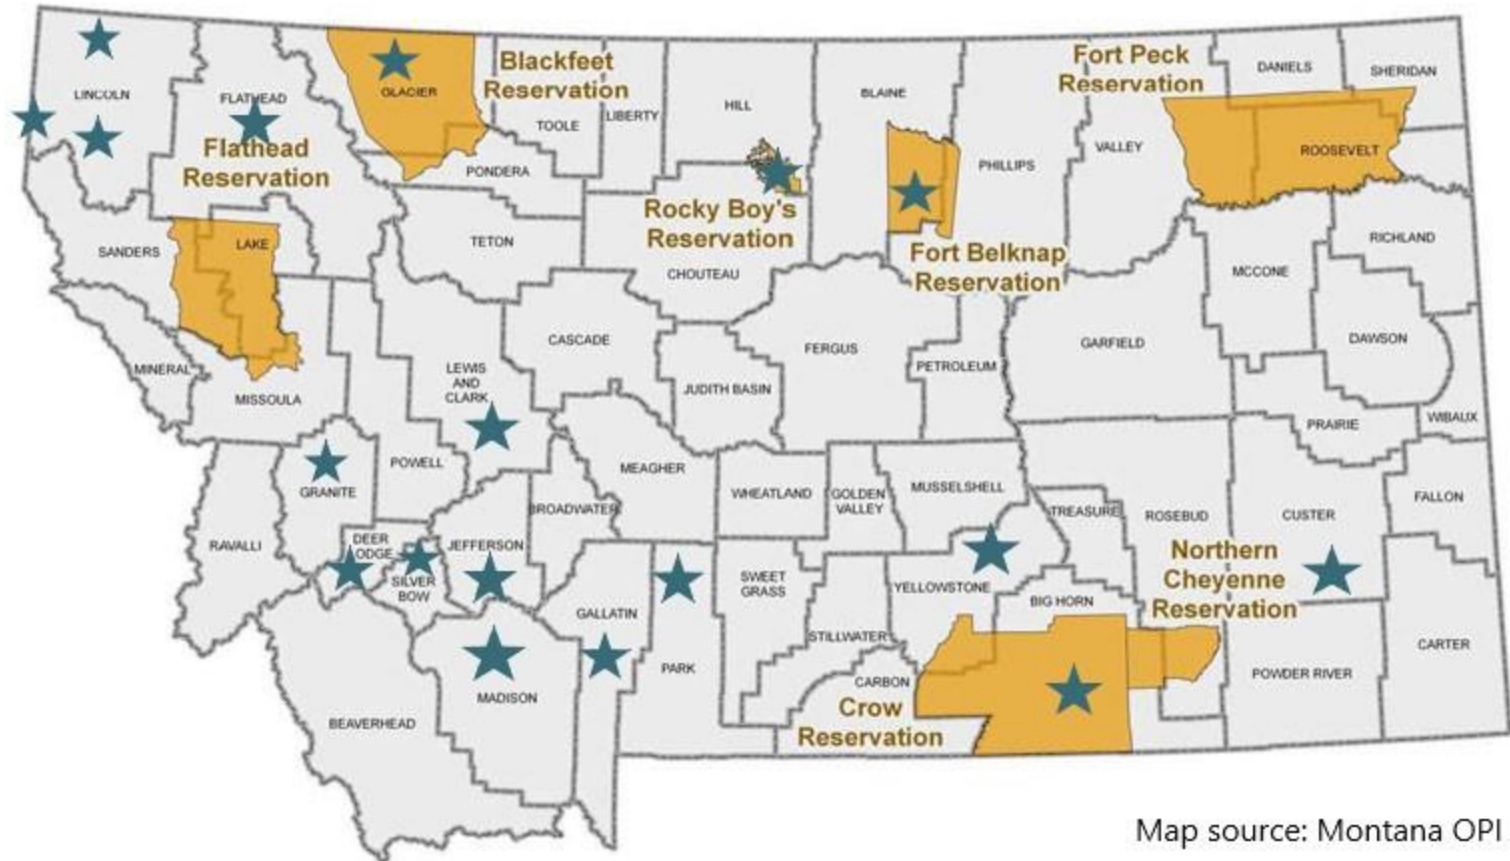

...did your Board Maintenance Workgroup start monthly onboarding sessions?

Description: Over the past five years, SAR High School has been working with the Center for Communities That Care to develop ways to gather and interpret data about the broader community of Modern Orthodox high school students in the New York area and beyond, to train the school community in the Social Development Strategy; and to provide Guiding Good Choices to parents of students in the school and the broader Modern Orthodox Jewish community.
